

Q.18 Write any four advantages of transfer printing.?

No. of Printed Pages : 4

222643

Roll No.

Q.19 Explain process of discharge printing on direct dyed cotton ?

Q.20 Discuss the concept of illuminating colours?

4th Sem / Textile Processing

Q.21 Write a note on Pigment printing ?

Subject : Technology of Printing - II

Q.22 Write paste recipe for printing cotton with direct dye? (Direct style)

Time : 3 Hrs.

M.M. : 60

SECTION-D

Note: Long answer type questions. Attempt any two questions out of three questions. (2x8=16)

Q.23 Explain principle, Process and condition required for transfer printing ?

SECTION-A

Note: Multiple choice questions. All questions are compulsory (6x1=6)

Q.24 Explain in brief about special styles of printing?

Q.1 Which of the following is a method of printing?

Q.25 Discuss principle , recipe and procedure of printing of reactive dyes on cotton fabric by direct style ?

- a) Screen Printing
- b) Block Printing
- c) Stencil
- d) All

Q.2 Localised dyeing is also called ?

- a) Carbonisation
- b) Printing
- c) Dyeing
- d) Washing

Q.3 Which among the following chemicals is an acid ?

- a) NaOH
- b) Na₂CO₃
- c) CH₃COOH
- d) None of these

Q.4 Viscosity of printing paste is possible due to ?

- a) Agar Solution
- b) Pigment
- c) Dye
- d) Thickener

Q.5 Urea in printing paste is used to maintain?

- a) alkalinity
- b) pH
- c) Acidity
- d) moisture

Q.6 Which of the following is a water soluble dye ?

- a) Disperse
- b) Sulphur
- c) Direct
- d) None of these

SECTION-B

Note: Objective/ Completion type questions. All questions are compulsory. $(6 \times 1 = 6)$

Q.7 Name the thickener used for reactive printing ?

Q.8 List any two sources of starch ?

Q.9 Name any two reducing agent?

Q.10 Sodium alginate is obtained from _?

Q.11 Diazotization process is related with _____ colours?

Q.12 Name any two discharging agent ?

SECTION-C

Note: Short answer type questions. Attempt any eight questions out of ten questions. $(8 \times 4 = 32)$

Q.13 Why pretreatments are carried out before printing?

Q.14 Write a note on burn out printing?

Q.15 Discuss white and coloured khadi printing?

Q.16 Write any four difference between Rapidozen and Rapid fast colour ?

Q.17 Write a note on bandhani prints?
