SECTION-A

Note: Multiple choice questions. All questions are compulsory (10x1=10)

- Q.1 Which among the following is an important factor in pressing.
- Time
 - Pressure
 - Temperature
 - All of the above
- Q.2 _____ is a common seam used in sides of trousers.
- Embroidered
 - Lapped seam
 - Decorative
 - Superimposed
- Q.3 JIT stands for _____.
- Just at time
 - Just in time
 - Just inbuilt time
 - Just inverse time
- Q.4 What is the purpose of adding darts in a garment?
- For fitting
 - For looseness
 - For decoration
 - For pocket
- Q.5 Which among the following is a problem of sewing?
- Puckering
 - Shade variation
 - Color mismatch
 - Selvedge marks

- Q.6 Which marker will have more efficiency?
- One way marker
 - Directional
 - Unidirectional market
 - None of the above
- Q.7 A symbol of triangle in care label stands for ____.
- Washing
 - Dry-cleaning
 - Bleaching
 - Embroidery
- Q.8 Quality control provides ____.
- Right at first time
 - Right at second time
 - Right always
 - Right every time
- Q.9 Which among the following is a fusing defect?
- Strike through
 - Strike well
 - Strike not
 - Strike make
- Q.10 Fabric width should always be ____ than the marker.
- Greater
 - Lesser
 - Equal to
 - Very less

SECTION-B

Note: Objective type questions. All questions are compulsory. $(10 \times 1 = 10)$

- Q.11 One importance of Quality control.
- Q.12 Name any two pressing defects.
- Q.13 Double fusing method is used in collars (True/False)

- Q.14 Name one stitching problem.
- Q.15 List any one defect during spreading.
- Q.16 Write any one component of care label.
- Q.17 Make diagram of superimposed seam.
- Q.18 Name any one cutting tool.
- Q.19 Write name of any one sewing machine.
- Q.20 JIT.

SECTION-C

Note: Short answer type questions. Attempt any twelve questions out of fifteen questions. $(12 \times 5 = 60)$

- Q.21 Explain the process of manual marker making.
- Q.22 What kind of defects are observed during cutting, explain any two.
- Q.23 Explain any two types of seams with diagram.
- Q.24 Draw labeled diagram of sewing machine needle.
- Q.25 What is the importance of Quality Control in an industry.
- Q.26 Explain American care labelling system.
- Q.27 Discuss various types of pressing equipments.
- Q.28 Write down any two problems faced during stitching and methods to control them.
- Q.29 Differentiate between final pressing and under pressing.
