#### **SECTION-A**

**Note:** Multiple choice questions. All questions are compulsory (10x1=10)

- Q.1 Which of the following is a seam type ?  
 a) French                                    b) Overlock  
 c) Chain                                    d) None of these
- Q.2 A shaping device at the bust or waistline, triangular in shape is called  
 a) Pleat                                    b) Gathers  
 c) Pocket                                    d) Dart
- Q.3 The number 400 is given to  
 a) Single thread chain stitch  
 b) Lockstitch  
 c) Hand stitch  
 d) Multi thread chain stitch
- Q.4 What is the use of Seam Ripper ?  
 a) Thread cutting                            b) Stitch opening  
 c) Bobbin winding                            d) None of these

- Q.5 The hole in the needle is called \_\_\_\_\_  
a) Casing                  b) Opening  
c) Eye                  d) Threader
- Q.6 The breaking of threads during sewing is mainly due to  
a) Tensile stress          b) Fraying  
c) Needle heating          d) Combination of all of these .
- Q.7 A \_\_\_\_\_ has information attach to the garment or clothing  
a) Motif                  b) Care Label  
c) Trimming                  d) Stitch
- Q.8 Temporary stitches also means  
a) Back stitch          b) Overlock  
c) Basting                  d) Feed of the arm
- Q.9 Tool used to cut fabric in a zigzag pattern to prevent fraying  
a) Pinking Shears          b) Scissors  
c) Round knife                  d) Shears
- Q.10 The line where two pieces of fabrics are sewn together is known as  
a) Stitch                  b) Wadding  
c) Seam                  d) None of these

## SECTION-B

**Note:** Objective type questions. All questions are compulsory. (10x1=10)

- Q.11 Name 2 Cutting tools.  
Q.12 Define Spreading .  
Q.13 Name any 2 necklines.  
Q.14 Define Pressing.  
Q.15 What is Lapped seam ?  
Q.16 Define Puckering.  
Q.17 State the use of bobbin winder.  
Q.18 Define dart.  
Q.19 Define wadding.  
Q.20 Name sewing machine needle types.

## SECTION-C

**Note:** Short answer type questions. Attempt any twelve questions out of fifteen questions. (12x5=60)

- Q.21 Discuss the different methods of marker planning.  
Q.22 What are the objectives of cutting of fabric ?  
Q.23 Write a note on Class 300 stitch type.  
Q.24 Discuss the requirements of quality in spreading.  
Q.25 Define Seam. Discuss any two seam types.  
Q.26 Draw and explain different parts of sewing machine needle.
