Roll No.

1st Year / Fashion Tech.

Subject : Textile Science

Time : 3 Hrs.

M.M. : 60

SECTION-A

Note: Multiple choice questions. All questions are compulsory (6x1=6)

- Q.1 What is the basic principle of knitting?
- a) Interlacing of yarns b) Interloping of yarns
c) Bonding of fibers d) Splicing of yarns
- Q.2 The process of removing impurities like waxes and oils from fabric is called:
- a) Desizing b) Scouring
c) Mercerization d) Bleaching
- Q.3 Wash-n-wear finish provides:
- a) Extra-softness
b) Anti-bacterial property
c) Wrinkle resistance
d) High shrinkage

Q.4 Which dyeing method is used before spinning the yarn?

- a) Piece dyeing b) Yarn dyeing
- c) Garment dyeing d) Fiber dyeing

Q.5 Which is a resist dyeing technique using wax?

- a) Batik b) Block
- c) Screen d) Reactive

Q.6 Tie and dye technique involves:

- a) Wax coating b) Block impressions
- c) Knotting and dyeing d) Weaving threads

SECTION-B

Note: Objective/ Completion type questions. All questions are compulsory. (6x1=6)

Q.7 Knitting is the process of forming fabric by _____ yarns.

Q.8 Dyeing is the process of applying _____ to textile materials.

Q.9 Uneven dyeing and color bleeding are examples of _____ defects.

Q.10 Warp knitting is more elastic and easier to unravel than weft knitting. (True/False)

(2)

182912

Q.11 Shrinkage control helps fabric maintain its original size after washing. (True/False)

Q.12 Colour defects may occur due to uneven dyeing or colorfastness issues. (True/False)

SECTION-C

Note: Short answer type questions. Attempt any eight questions out of ten questions. (8x4=32)

Q.13 List the four main stages of dyeing.

Q.14 What is resist printing? Name two types.

Q.15 What are colour defects in fabrics? Give two examples.

Q.16 What are the main purposes of finishing in textiles? Write any four.

Q.17 Differentiate between yarn dyeing and piece dyeing.

Q.18 Which type of knitting is commonly used for t-shirts and sweaters? Explain it.

Q.19 Define mercerization. Mention any two effects of this finish.

Q.20 What is knitting cycle? Write the steps involved in knitting cycle.

Q.21 What is direct printing? Write any two types of direct printing.

Q.22 Draw the labelled diagram of Latch needle.
