

SECTION-D

Note: Long answer type questions. Attempt any two questions out of three questions. (2x8=16)

- Q.23 Explain different types of material handling equipment.
- Q.24 Explain a) Scheduling b) Dispatching
- Q.25 Write the advantages and disadvantages of work sampling.

No. of Printed Pages : 4
Roll No.

222042

4th Year / Advance Diploma in Tool & Die Making Subject : Industrial Engineering & Management

Time : 3 Hrs.

M.M. : 60

SECTION-A

Note: Multiple choice questions. All questions are compulsory (6x1=6)

- Q.1 Work study is widely known as
- a) Productivity Development
 - b) Time and motion study method
 - c) Analytical Estimating
 - d) Material handling study
- Q.2 The symbol of 'O' stands for
- a) Operation
 - b) Inspection
 - c) Storage
 - d) None of these
- Q.3 The diagram showing the part following by men and materials during the production process.
- a) String diagram
 - b) Flow diagram
 - c) Travel chart
 - d) Flow process chart

Q.4 Which of the following techniques used to determine allowance in time study.

- a) Work sampling
- b) Linear regression
- c) Acceptance sampling
- d) Performance rating

Q.5 Process layout is used for

- a) Job production b) Mass production
- c) Process production d) None of these

Q.6 Which of the following is production planning function

- a) Dispatching b) Progressing
- c) Routing d) Inspection

SECTION-B

Note: Objective/ Completion type questions. All questions are compulsory. (6x1=6)

Q.7 What is job production.

Q.8 Expand LFT.

Q.9 What is TQM.

Q.10 Full form of CPM.

Q.11 Expand JIT.

Q.12 Define Chart.

SECTION-C

Note: Short answer type questions. Attempt any eight questions out of ten questions. (8x4=32)

Q.13 What is method study? Write its objectives.

Q.14 Write the methods to improve productivity.

Q.15 Draw the symbol of operation, Inspection, Delay or storage with description.

Q.16 Explain flow chart.

Q.17 What is allowance and what are its different types.

Q.18 Explain time study techniques.

Q.19 What is work sampling?

Q.20 What are the types of plant layout and its limitations?

Q.21 Explain material cost and labour cost.

Q.22 Explain F.W. Taylor Theories.
