

SECTION-D

Note: Long answer type questions. Attempt any two questions out of three questions. (2x8=16)

Q.23 Briefly describe about the paste recipe and procedure of printing Polyester/Cotton blend?

Q.24 Explain principle and process of pigment printing?

Q.25 Write briefly advantages and limitations of automatic printing?

No. of Printed Pages : 4

222652

Roll No.

5th Sem / Textile Processing

Subject :Advancements in Textile Printing

Time : 3 Hrs.

SECTION-A

M.M. : 60

Note: Multiple choice questions. All questions are compulsory (6x1=6)

Q.1 Purpose of squeeze is to _____?

- a) Transfer paste on fabric
- b) Provide pressure
- c) Printing
- d) All of these

Q.2 Advantages of automatic printing is _____ on cloth?

- a) Fast printing
- b) Uniform printing
- c) Good Quality printing
- d) All of these

Q.3 _____ Dyes are used for Polyester fabric printing?

- a) Vat dyes
- b) Disperse Dyes
- c) Reactive Dyes
- d) none of these

- Q.4 Wool and Silk are _____ fibers?
- a) Protein b) Cellulosic
- c) Regenerated d) None of these
- Q.5 _____ fibre fabrics are printed by Cationic Dyes?
- a) Arcylic b) Silk
- c) Nylon d) None of these
- Q.6 Ink jet Printing is _____ method of printing?
- a) Manual Screen b) Digital
- c) Rotary d) None of these

SECTION-B

Note: Objective/ Completion type questions. All questions are compulsory. (6x1=6)

- Q.7 Name any one squeegee system used in Flat Bed screen Printing machine?
- Q.8 Name any one squeeze system used in Rotary Screen Printing machine?
- Q.9 Name any one combination of dyes used in printing Polyester / cotton blend?
- Q.10 Name one latest printing method used for all kinds of fiber fabrics.
- Q.11 Which dyes are used for printing of Acrylic fiber fabrics?

- Q.12 Write any two combination of dyes used for Polyester/ viscose blend printing?

SECTION-C

Note: Short answer type questions. Attempt any eight questions out of ten questions. (8x4=32)

- Q.13 Draw a labeled diagram of magnetic squeeze system?
- Q.14 Discuss working of any one squeeze system in flat bed printing?
- Q.15 Write paste recipe for printing of woolen fabric and function of ingredients?
- Q.16 Write paste recipe printing of polyester with disperse dyes?
- Q.17 Write paste recipe for printing of acrylic fabric with cationic dyes?
- Q.18 Discuss process of preparation of silk fabric for printing?
- Q.19 Write short note on digital printing.
- Q.20 Name any four types of inks used in digital printing?
- Q.21 Write difference between digital and analog printing.
- Q.22 Write essential steps of digital printing?
