

Q.17 Write a short note on special tools used in mechanical engineering workshop.

Q.18 Write the purpose of the striking tools in mechanical engineering workshop? Show a striking tool with diagram.

SECTION-D

Note: Long answer type questions. Attempt any one questions out of two questions. (1x10=10)

Q.19 What is electric welding? Explain the process of electric welding and equipments used in detail.

Q.20 What are operations performed in sheet metal shops. Explain any two of them with diagram.

Level 4, 2nd Sem / DVOC (Ref. & Air Cond.) Subject : Manufacturing Technology

Time : 2 Hrs.

M.M. : 50

SECTION-A

Note: Multiple Choice questions. All questions are compulsory. (5x1=5)

Q.1 Which fabrication process includes shaping metal by heating and hammering?

- a) Smithy b) Plumbing
- c) Carpentry d) Fitting

Q.2 Which of the following is a joining method in carpentry?

- a) Gas Welding
- b) Mortise and Tenon joint
- c) Bolting
- d) Riveting

Q.3 The process of making patterns and pouring molten metal in cavities is called:

- a) Riveting b) Forging
- c) Foundry work d) Machining

Q.4 In oxy-actylene welding, a carburizing flame has:

- a) More oxygen b) More acetylene
- c) Equal gases d) No oxygen

Q.5 Which of the following is a cutting tool?

- a) Pliers b) Spanner
- c) Clamp d) Chisel

SECTION-B

Note: Objective type questions. All questions are compulsory. (5x1=5)

Q.6 Plumbing and fitting are considered metal fabrication activities. (True/False)

Q.7 A brace and bit is used for sawing operations in carpentry. (True/False)

Q.8 A forge is used to machine metal components. (True/False)

Q.9 Soldering is used for joining heavy structural steel members. (True/False)

Q.10 A vernier caliper is a type of measuring tool used in workshops. (True/False)

SECTION-C

Note: Short answer type questions. Attempt any six questions out of Eight questions. (6x5=30)

Q.11 Write a short note on significance of subject “Manufacturing Technology”.

Q.12 Name the different types of shops and write nature of work done in them.

Q.13 Enlist various tool used in carpentry shop with their use.

Q.14 What are the safety precautions to be considered while working in carpentry shop.

Q.15 What are the main equipment used in green sand moulding? Give their use.

Q.16 Explain the types of flames produced in gas welding.
