4th Semester/ Food Tech. Subject : Fruits & Vegetables Technology

Time : 3 Hrs.

M.M. : 100

SECTION-A

Note: Multiple choice questions. All questions are compulsory (10x1=10)

- Q.1 Blanching of fruits and vegetable is done for
- To inactivate the enzymes
 - To reduce moisture content
 - To reduce volume surface area
 - All of the above
- Q.2 _____ is prepared after draining and drying of sugar syrup from preserve.
- Jam
 - Candied fruit
 - Glazed fruit
 - Syrup
- Q.3 Who invented first idea of canning goods?
- Nicholas Apart
 - Saddington
 - William under Wood
 - None of the above
- Q.4 Flame peeling is done for
- Onion
 - Garlic
 - Both 'A' & 'b'
 - None of the above

- Q.5 As per FSSAI regulations, minimum TSS of tomato puree is _____.
 a) 13% b) 10%
 c) 9% d) 8%
- Q.6 The clear sparkling juice is called
 a) Squash b) Cordial
 c) Nectar d) Sherbet
- Q.7 Vinegar is _____.
 a) 2% acetic acid b) 3% acetic acid
 c) 4% acetic acid d) 6% acetic acid
- Q.8 Preservation of food in common salt or in edible oil is called as _____.
 a) Curing b) Salting
 c) Pickling d) None of the above
- Q.9 The process of removal of moisture under controlled condition of temperature, humidity and air is called as _____.
 a) Drying b) Dehydration
 c) Osmosis d) Solar drying
- Q.10 Sharp / slow freezing temperature
 a) 0 to -40°C b) -15 to -29°C
 c) -10 to -25°C d) -5 to -29°C

SECTION-B

Note: Objective/ Completion type questions. All questions are compulsory. (10x1=10)

- Q.11 IMF stands for _____.

- Q.12 Fruit juice which has been concentrated by removal of water is called _____.
- Q.13 Jam should have minimum _____% soluble solids.
- Q.14 _____ fruit is rich source of vitamin C.
- Q.15 Red colour of tomato is due to _____.
- Q.16 Guava is rich in _____.
- Q.17 The best way of preserving fruit juice is by _____ (Freezing / Chemical preservative)
- Q.18 Vegetable juices are mostly spoiled by _____ (Bacteria / Mold)
- Q.19 Sterilization is done at _____ °C.
- Q.20 Outer layer of fruits and vegetables is called _____.

SECTION-C

Note: Short answer type questions. Attempt any twelve questions out of fifteen questions. (12x5=60)

- Q.21 Briefly explain about freezing and its types.
- Q.22 Briefly explain the steps involved in jam making.
- Q.23 Briefly explain about peeling and its types.
- Q.24 Differentiate between sun drying and mechanical drying of food stating merit of each.
