

- Q.25 Write down objectives of Desizing and Bleaching.
- Q.26 Write down milling process involved in setting of Wool.
- Q.27 Write short note on Durable Press Finish.
- Q.28 Discuss the crabbing process.
- Q.29 Write short note on water repellent finishes.
- Q.30 Discuss about the chlorination process.
- Q.31 Write down the process Moth Proofing.
- Q.32 Write a note on Textural finishes.
- Q.33 Write a note on latest developments in finishing.
- Q.34 Write a short note on Decatising.
- Q.35 Write short note on Flame Proof Finish.

SECTION-D

Note: Long answer type questions. Attempt any two questions out of three questions. (2x10=20)

- Q.36 Explain any three types of Calendering processes.
- Q.37 Write in detail the process of imparting Zero Zero finish to cotton fabric.
- Q.38 Write short note on
- Effluent treatment Plant
 - Heat Setting

6th Sem / Textile Design Subject:- Textile Finishing

Time : 3Hrs.

M.M. : 100

SECTION-A

Note: Multiple choice questions. All questions are compulsory (10x1=10)

- Q.1 DMU is a _____ Agent?
- Fuel
 - Solvent
 - Cross linking
 - None of these
- Q.2 Which of the following is drying machine?
- J-Box
 - Kier
 - Stenter
 - Damper
- Q.3 Mildew/Moth proofing finishes are _____ finish.
- Mechanical
 - Chemical
 - Both A & B
 - None of these
- Q.4 Accumulation of soil and dust particles is known as _____ finish
- Soil release
 - Antistatic
 - Antipilling
 - None of these

- Q.5 Saforizing finish is also called?
- a) Zero-zero b) Fire Proofing
c) Calendering d) Water repellent
- Q.6 If fabric allows air but prevents water to pass through itself then finish is _____
- a) Anti Shrinking b) Fire Proofing
c) Calendering d) Water Repellent
- Q.7 Pin type/Clip types are the types of _____
- a) Calender b) Sanforizer
c) Stenter d) None of these
- Q.8 Water repellent finishes is _____ finish.
- a) Mechanical b) Chemical
c) Both A & B d) None of these
- Q.9 _____ machine improves the lusture of fabrics.
- a) Calendaring b) Anti Shrinking
c) Damper d) None of these
- Q.10 Crabbing is a setting process of _____ Material.
- a) Cotton b) Woollen
c) Silk d) None of these

SECTION-B

Note: Objective type questions. All questions are compulsory. (10x1=10)

- Q.11 Define Bleaching.
- Q.12 Define Wash and Wear.
- Q.13 What is Scouring.
- Q.14 Name the machine used for the Heat Setting treatment.
- Q.15 What is embossing.
- Q.16 Name the metal used for making calendaring machine.
- Q.17 Mercerization is a _____ process. (optional/ compulsory).
- Q.18 What is objective of wash and wear.
- Q.19 What is the need of ETP?
- Q.20 Write examples of Durable Finish?

SECTION-C

Note: Short answer type questions. Attempt any twelve questions out of fifteen questions. (12x5=60)

- Q.21 Write down 5 objectives of finishing.
- Q.22 Write a short note on AntiWrinkle/crease process.
- Q.23 Write a short note on stenter.
- Q.24 Write down any 5 objectives of finishing Calendaring.
